

## Magdalen Gates Primary School Freedom of Information Publication Scheme

By law, as well as responding to requests for information, we are required to make available certain types of information proactively. Our Publication Scheme must be approved by the Information Commissioner's Office [ICO].

In line with advice from Norfolk County Council, we have adopted the IOC 'Model Publication Scheme' which covers Primary Schools. We are required to publicise the fact that information is available under this scheme, which we will do annually at the beginning of the new academic year, and by providing the majority of our Publication Scheme documents on the web site.

Under this scheme, we agree to review the information we are publishing. This will be done annually as we update the website. We also agree to make new information available promptly – this will be done via the newsletter and website.

We also agree to update old information. This is done regularly as a matter of course, often through national channels such as, for example, the Ofsted website or the DfE school performance tables. Information about the school is also available through Norfolk County Council website.

Under this scheme, some personal and sensitive information is exempt from publication. Where information is not available online, we must respond promptly to any requests to see it. However, we are not required to create new information in order to comply with the act.

We seek at all times to keep parents and other members of the public fully informed of our activities through our website and newsletters (also available through our website).

### Charging for access to information

Where information outlined in the Definition Document is not available on the website – either because it is not in electronic form or is too unwieldy to be transferred to such a format – we will make it available to view in school. In the first instance, you should apply to the School Finance Officer to arrange a viewing.

Photocopies of such information are also available, charges for copies are shown on the final page of this document.

## Freedom of Information

Guide to information available from Magdalen Gates Primary School under the model publication scheme

Information to be published.	How the information can be obtained	Cost
