

Year 4 Remote Learning Autumn 1 2023

Sorry that you can't be in class with us this week. I have picked some lessons from the Oak National Academy to help you continue your learning. Although they are not exactly the same as ours, I have picked ones which either fit well or will be fun and engaging for a week.

Studying at home is different to studying at school, and it can be tiring! See how you get on with these - you may find that you don't manage to finish them. Don't worry, you won't be in any trouble! I'd love to see the work you do on Tapestry and if you run out let me know.

Maths:

The maths lessons do run in line with what we are covering in class, so you will be studying exactly the same as us!

WK beginning 11th & 18th September Lessons 1-10

<https://classroom.thenational.academy/units/place-value-00b7>

WK beginning 25th September 2nd & 9th October Lessons 1-15

<https://classroom.thenational.academy/units/addition-and-subtraction-48c0>

WK beginning 16th & 23rd October Lessons 1-10

<https://classroom.thenational.academy/units/multiplication-and-division-70b8>
