

Home learning EYFS Spring 2

We are sorry that you are not at school this week. Here are some activities that are similar to the ones that we are doing in class.

In mathematics we are completing the following units in class: numbers within 15, grouping and sharing and doubling and halving.

<https://teachers.thenational.academy/units/grouping-and-sharing-79a3>

[Unit: Grouping and Sharing | EYFS Maths | Oak National Academy \(thenational.academy\)](#)

[Unit: Numbers within 15 | EYFS Maths | Oak National Academy \(thenational.academy\)](#)

We really love number blocks. Any of the episodes from Series 1 are a good level for us.

<https://www.bbc.co.uk/iplayer/episode/b08bzzns/numberblocks-series-1-one>

We love to read traditional stories.

<https://teachers.thenational.academy/units/the-three-little-pigs-3ac4>

Phonics – Please check on Tapestry as I add relevant links each week that last for 30 days.

In Understanding The World, we will be thinking about the area close to our school and we will be visiting Bread Source to buy a hot cross bun with a Victorian penny. We will follow a simple map and go past the site of the Old Magdalen Gate.

Have a look at this clip of the old city wall. Can you find Magdalen Street and the site of the old gate? The Magdalen Gate is 5 mins in.

In personal and social education, we will be learning about keeping safe on the internet.

We will looking at the video 1, 2 and 3.
